Dear Mr. Leigh:

Thank you so much for speaking at the Minnesota Medical Group Management Association (MMGMA) 2007 Winter Conference, March 5-7 at the St. Paul RiverCentre, St. Paul, Minnesota.

Your keynote presentation, "Joy on the Job," and your breakout session, "High Impact Communication" were delightful and full of substance, and we received extremely positive feedback from our membership. Your contagious energy, flair for public speaking, and insightful personal experiences contributed to the success of our conference. Your presentations gave our members new tools to create a positive and energized healthcare environment for their staff and patients.

Thank you again for presenting at our winter meeting. We hope to work with you again in the future!

Sincerely,

Gretchen Huetteman
Administrator
