Dear Eddie:

The National Multiple Sclerosis Society would like to thank you for the excellent job you did at our Annual Dinner/Meeting. You were instrumental in making the evening a true success. I can think of no finer way to complete a year than to have done it with laughter, insight, hope and inspiration.

Your approach to life is refreshing and invigorating and we look forward to working with you again in future. The response from our clients was overwhelmingly positive. I have never had so many clients come up to me after an event of this magnitude, with such appreciation for a speaker. The following comments are a true testimonial of your ability to provide a meaningful message:

"Where ever did you find him? He is excellent!"

"Great ideas, he got my blood pumping again! :)"

"He confirmed what I have believed, but had yet to confirm: I can have FUN in life, despite having MS."

"He has inspired me to push the envelope of my creativity with the way I approach my life. Starting today, I'm going to have fun!"

Please continue to do what you do best Eddie, and inspire, motivate, and deliver a powerful message with a meaningful touch.

Sincerely Yours,

A handwritten signature in cursive script that reads 'Joyce Thompson'.
